**Please answer the following questions on a separate sheet of paper, providing a minimum of one paragraph per question:**

1. What interests, experiences, or classes led to you apply to this WRFI course?
2. How will this WRFI course contribute to your education and possible career path?
3. WRFI courses may be demanding academically, physically or emotionally. Which aspects do you expect to challenge you most?
4. Aside from your interest and experience in the outdoors, what personal attributes would you contribute to the group and learning environment? Please note that students do not have to have academic prerequisites or backcountry experience to participate in any WRFI course.
5. How did you find out about WRFI? If someone (an advisor, teacher, or WRFI alum) passed on the information to you, please list his/her name. If someone came to one of your classes to make a presentation, please list the specific class and professor.
